

Timings

Drop-off at start of service

All children's groups start in church at 9.30am. The children leave for groups after about 10 minutes, during the second song.

Towards the end of the service

Please leave to collect your children during the **final song** of the service.

If you are collecting from **Climbers** we ask you to collect promptly so that the Tiger Lounge can be prepared for refreshments after the service.

If your child is in **Pathfinders** or **Explorers** (i.e. in Year 3 or above) they will be allowed to leave on their own once the group has finished, unless you let the leaders know you will be collecting them.

Child in the younger groups must be collected by a parent. Please collect your child at the same place where you dropped them off.

Sunday morning children's groups at the 9.30am service
