TIMINGS

All children's groups run **9.45-10.45am**. If you are joining us as a family at the 9.30am service the children usually leave after 15 minutes.

Towards the end of the service please leave to collect your children during the **final song** of the service. Please collect your children promptly to give volunteers time to clear up and for the Tiger Lounge to become a venue for post-service refreshments.

If you're new to All Saints, please do fill in a **Welcome Card**; we'd love to get to know you. Please also complete a Registration Form for each of your children.

Please stay after the service for some tea or coffee. We hope you'll enjoy your time with us today.
