Livability

Livability celebrates 170 years of helping Christians bring the Good News of God's love to disabled adults and children in the community. The organisation has pioneered awareness within the UK churches of people with learning disabilities in their local areas and Tiger Club is just one of many such church groups across Britain which reach out to provide Bible study, worship, prayer and friendship to this often overlooked but valuable membership of our community.

Traditional forms of evangelism and church ministry have often not been focussed on people with disabilities who can feel isolated and ignored and who miss the warmth of church fellowship and the love of Jesus. Groups like ours are designed to change awareness in our church communities both in Lindfield and the surrounding district.

Livability is a UK Christian charity. For more information visit their website: www.livability.org.uk

What All Saints church does:

Our group is called "**Tiger Club**" and since 1990 All Saints church has been affiliated with the charity **Livability**.

Our meetings are designed to provide a relaxed and friendly environment where a time of fellowship and worship can be enjoyed together.

We begin the evenings enjoying tea, coffee and cakes. We then look at how the Bible and especially Jesus' teaching can be relevant to people with learning disabilities.

Livability provides teaching material which we use for our Bible studies and worship which is specifically designed for these groups and is used across the UK.

We are a small team of volunteer helpers and would very much like to encourage you to contact us if you know of anyone who might enjoy coming to our meetings.

(All volunteer helpers are DBS checked)

See over for contact details.
