FRIDAY EVENINGS IN THE TIGER

ENCRYPT 

WHAT

Encrypt is a youth club run by All Saints Church for **young people in school years 10-13** in and around Lindfield. There is a different activity each week, as well as time to hang out and chat. We conclude with a short talk from the Bible, as we consider who Jesus is and the difference following him makes today.

WHERE

Encrypt meets in the **Tiger building** next to All Saints Church, and occasionally does activities out and about—**look out for the events in red** opposite. The church has a **car park** behind the Tiger, which is accessed via Dukes Road (turning by the Bent Arms).

WHEN

The normal times for Encrypt are **Fridays** in term time from **8.00-9.30pm**. For off-site activities, we tend to meet earlier and get back later.

COST

There is usually **no charge** for the Tiger-based activities. For larger off-site events, we invite all those who are able to contribute to the cost.

WHO

Engage is run by a team of **volunteer leaders** who are members of All Saints. All of them are DBS checked, and undertake Church of England safeguarding training.

INFO

The Associate Vicar, Stuart Silk, currently oversees all the youth work at All Saints, but **Sarah Neller** is the main leader for Encrypt — feel free to get in touch.

There will be a **weekly email for parents/carers** with a reminder of the activity, and details of how to book if required. Please contact Stuart if you would like to join the mailing list.

We are going to the Westwatch Trust, which is a Christian residential centre the other side of Horsted Keynes. It is a great venue that was extensively refurbished a few years ago, and ideal for this weekend. More details to follow.
