Garden Party!

The Churchwardens would love to invite you to another party! Yes another garden party – clearing the churchyard! We are so grateful to everyone who helped out last time and would love to see many more – once the builders have left the site there is a lot to be done . . . Please do keep free the morning of **Saturday 26 January**. More details to follow.

A very big “thank you” to everyone who helped to make the Christingles on Sunday 23 December. They were much appreciated!

If you give financially to All Saints via blue envelopes, your named envelopes are available for collection from LPA at all services. *Sarah Hagger (on behalf of the Monday Club)*

From Judy Jones

I have now moved to South Croydon. Thank you for all your prayers, love and support. Thank you also for the support shown to my late parents Jeff and Doreen Jones. My mobile and email remain unchanged. I shall miss the wonderful teaching and being in the 11.15am choir. *Judy*

Discipleship Survey

A sincere “thank you” to all who have completed and returned the Discipleship Surveys. It is encouraging that many are willing to continue in their present roles and exciting to see how many people want to explore new areas of service. The survey details are being collated and in the New Year the findings will be circulated to those responsible for the different categories. If you have indicated you are willing to continue in your present role, thank you, and you will not need to be contacted for the present. I am grateful for your continued commitment to your particular current ministry area. If you have expressed interest in exploring a new area of service or want more information, the person responsible for that category will contact you in the New Year.

Thank you again for taking the time to prayerfully complete the surveys. If you have not done yours yet it is not too late. Drop it into the Tiger office or the offertory plate in the foyer. *James*
